

Maine Entomological Society Newsletter No.1 Spring 1997

A FORUM FOR STUDENTS, PROFESSIONALS & AMATEURS
IN THE PINE TREE STATE

COULD THERE REALLY BE A MAINE ENTOMOLOGICAL
SOCIETY ??

That's what we'd like to find out.

This letter is being sent to entomologists, both professional and amateur, who may be interested in joining a forum to exchange ideas, generate a newsletter, meet from time to time -- and most importantly, get out in the field together for some fun!

Many people have already worked together to get this notice on the road to you, and to arrange a first M.E.S. Meeting!

FIRST MAINE ENTOMOLOGICAL SOCIETY MEETING:

SATURDAY JUNE 7, 1997 9:30 AM
PINE TREE STATE ARBORETUM
153 HOSPITAL STREET, AUGUSTA

ALL PROFESSIONALS, STUDENTS & AMATEURS WELCOME!

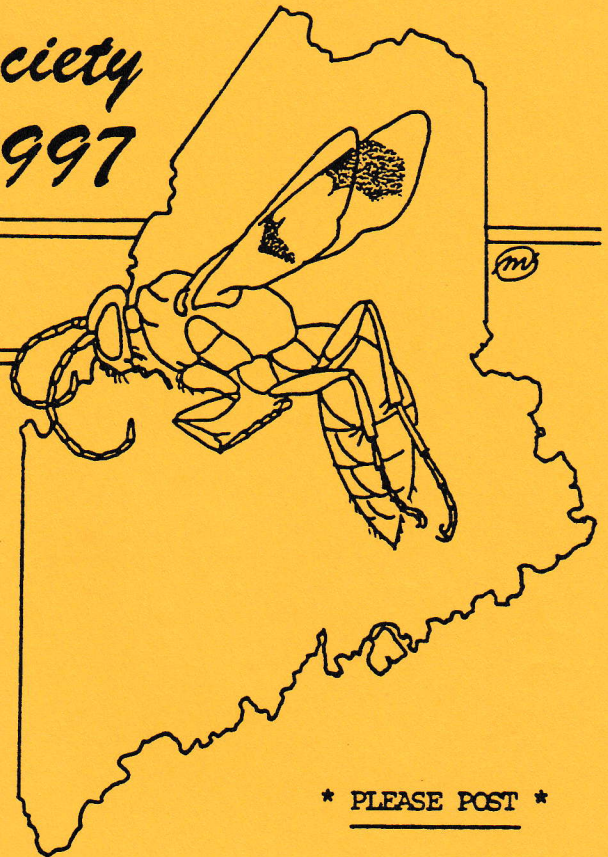

We will discuss the M.E.S. NEWSLETTER, and decide how and where we should get together for outdoor field events.

Bring your own lunch or snacks -- we will be going out on the Arboretum grounds to collect & observe after the meeting! Bring field gear!

PLEASE POST THIS NOTICE FOR OTHERS
PLEASE COPY THIS FOR YOURSELF & OTHERS

A REMINDER/NOTICE OF OUR FIRST MEETING WILL BE SENT
TO ALL WHO FILL OUT THE ATTACHED FORM

Your feedback is important! Come to the June 7th meeting & let us know your interests & needs. Fill out the attached form, so we can plan now for a great NEWSLETTER!

* PLEASE POST *

THE M.E.S. NEWSLETTER
